Kata Kunci: Aktvitias Remaja masjid, Akhlak Remaja Terhadap Orang Tua.

Akhhlak merupakan kelakuan yang timbul dari hasil perpaduan antara hati nurani, pikiran, perasaan, bawaan dan kebiasaan, yang menyatu dan membentuk suatu kesatuan tindakan akhlak yang dihayati dalam kenyataan hidup sehari-hari. Pada zaman modernisasi ini banyak tindakan-tindakan kriminal yang dilakukan para remaja dan seringnya terjadi tawuran, mabuk-mabukan, narkoba, dan keperibadian akhlak yang kurang baik, disinyalir sebagai akibat kurangnya pendidikan dalam membentuk akhlak kepada para remaja. Di sini tentu menjadi tanggung jawab bersama untuk memberikan pendidikan kepada para remaja khususnya dalam membentuk akhlak. Untuk itulah, remaja perlu mendapatkan tempat dan perhatian dari berbagai elemen masyarakat. Skripsi ini bertujuan untuk mendeskripsikan akhlak remaja terhadap orang tua di Dusun Sempu Kidul Desa Wonoagung Kasembon Malang, aktivitas remaja masjid Al-Manar di Dusun Sempu Kidul Desa Wonoagung Kasembon Malang dan mendeskripsikan peran aktivitas remaja masjid Al-Manar dalam pembinaan akhlak remaja terhadap orang tua di Dusun Sempu Kidul Desa Wonoagung Kasembon Malang. ABSTRACT

Ari, Eva Prasetyaning. 2024. *The Role of Youth Activities at Al-Manaar Mosque in the Moral Development of Youth in Dusun Sempu Kidul, Wonoagung Village, Kasembon, Malang*. Thesis, Islamic Religious Education, al-Urwatul Wutsqo College of Tarbiyah Sciences Jombang. Dr. Hj. Qurrotul Ainiyah, M.HI.

Keywords: Activities of Mosque Youth, Youth Morality Towards Parents.

Morality is behavior that arises from the combination of conscience, thoughts, feelings, disposition, and habits, which come together to form a unified moral action that is experienced in daily life. In this era of modernization, there are many criminal acts committed by teenagers, along with frequent brawls, drunkenness, drug abuse, and poor moral character, which are suspected to result from a lack of education in shaping morality among teenagers. It becomes a shared responsibility to provide education to teenagers, especially in shaping their morality. Therefore, teenagers need attention and a place from various societal elements. It is known that teenagers still greatly lack good morals, respect for elders, and are experiencing a spiritual crisis. This thesis aims to describe the morals of teenagers towards their parents in Sempu Kidul Hamlet, Wonoagung Village, Kasembon Malang, the activities of the Al-Manar mosque youth in Sempu Kidul Hamlet, Wonoagung Village, Kasembon Malang, and to describe the role of Al-Manar mosque youth activities in fostering the morals of teenagers towards their parents in Sempu Kidul Hamlet, Wonoagung Village, Kasembon Malang. Data validation was conducted using Triangulation Techniques to check the data stages of technique, source, and time triangulation. The research method used is a qualitative method with a case study approach. Data were collected through direct observation, interviews, and documentation, which were analyzed using the Miles and Huberman data analysis model with stages of data reduction, data presentation, verification, and conclusion. The research results show that the morals of teenagers towards their parents in Sempu Kidul Hamlet, Wonoagung Village, Kasembon Malang include speaking politely, greeting when meeting, respecting, loving, not being rude, and obeying their parents' orders. In addition, several activities are carried out by teenagers in Sempu Kidul Hamlet, including religious studies, Diba'an, Tahlil, Quran recitation, and social activities. Besides actively participating in all activities in the village, the teenagers of Sempu Kidul Hamlet are also allowed to organize activities that can improve the community's faith and invite them to always have faith and piety towards Allah SWT. Teenagers in Sempu Kidul Hamlet also play a role in fostering the morals of teenagers towards their parents by developing potential, shaping identity, and being motivators in the development of Islamic preaching.
